The 4-H member is more important than the project – in 4-H we learn by doing and we have fun while we're at it. All **leaders are volunteers** who are interested in our children's development – they teach 4-H members how to think, not what to think. Competition is a part of life but no award is worth sacrificing the reputation of a 4-H member or leader – a blue ribbon 4-Her with a red ribbon exhibit is more desirable than the other way around. Every 4-H member needs to be noticed, to feel important, to achieve some degree of success and to be praised.

WE ARE IN NEED OF VOLUNTEER LEADERS. If you or someone you know may have some talent or interest in one of our projects, contact the 4-H office. If you could spare a few hours monthly, bi-monthly, quarterly or just a couple times yearly, call us at 582-3280 and we'll show you how to get started.
